

LIMITED WARRANTY

Models: This warranty applies to PoolWarden referenced here as “Controller”. ControlOMatic, Inc. Warrants the controller to be free from defects in manufacturing and workmanship for a period of Five (5) Years from the date of manufacture for the electronic main circuit board. All sensors and flow cells have a two (2) Year warranty. All other supporting equipment to the controller are individually covered by the specific equipment manufacturers warranty. Liability under this warranty is limited to the repair or replacement of any device or component which is returned to ControlOMatic within the warranty period by the original purchaser and found to be defective upon examination.

This warranty does not cover: (a) the purchaser’s labor or any servicing fees related to replacement of the defective product; (b) damage resulting from the use of this product in a manner inconsistent with normal use and the owners manual; (c) damage as a result of misuse, accident or neglect; (d) damage from improper testing, operation, or installation; (e) damage resulting from not operating the controller on a dedicated circuit or under conditions other than those recommended or at voltages or amperages other than those indicated on the controller and in the owners manual; (f) acts of mother nature (lightning, floods, earthquakes, etc); (g) modification of the controller in any way.

Defective parts should be returned to the local ControlOMatic Dealer. Any parts returned directly to ControlOMatic require a Return Material Authorization (RMA) code issued by a ControlOMatic Technician.

ControlOMatic makes no warranties, either expressed or implied, other than those stated above. No representative has the authority to change or modify this warranty in any way.

Any warranty claims should be directed to the following address:
